Ideally located on the heights above Monaco, in the immediate vicinity of the Monaco border and public transport, this recently renovated and fully furnished villa offers a privileged living environment combining comfort, elegance and accessibility.

Set over several levels, the property features generous, light-filled spaces. The main villa comprises a spacious living room with dining area opening onto the exterior, a fully equipped modern kitchen, five bedrooms – several with en-suite bathrooms – and ample storage space.

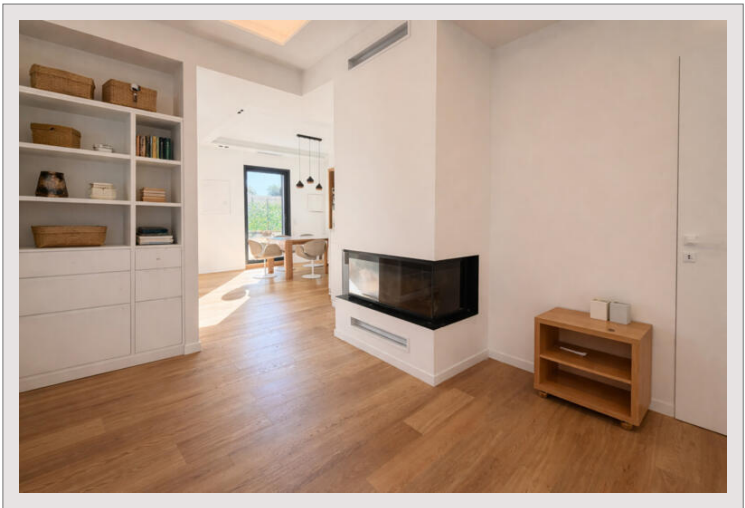

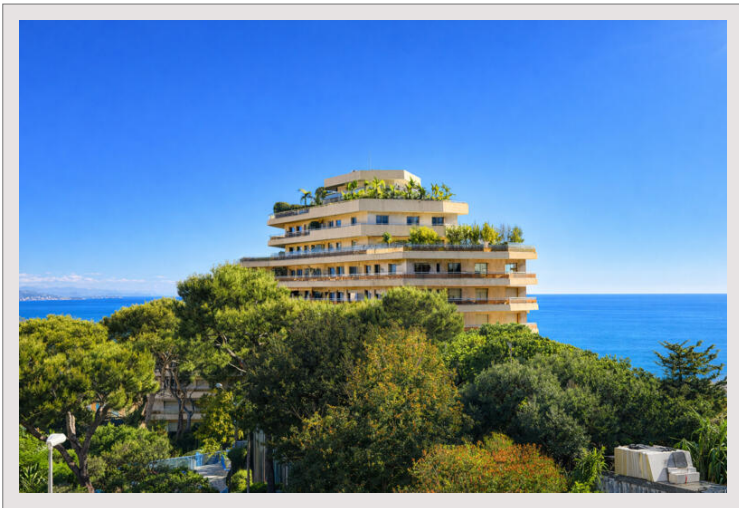

An independent studio completes the property, ideal for guests, staff accommodation or a private workspace.

Outside, the landscaped private garden surrounds a beautiful swimming pool, offering a rare relaxation area just moments from the Principality. The terraces allow you to fully enjoy the Mediterranean climate and the open views over the surrounding hills.

High-quality features, recent renovation, air conditioning, contemporary furnishings and a sought-after residential setting make this property an exceptional opportunity for a primary or secondary residence at the gates of Monaco.
